IPC APEX EXPO 2018

San Diego Convention Center  
111 W Harbor Dr.  
San Diego, CA 92101

January 29 – January 31, 2019  
Booth #617

Super PCB, which has been in business since 2003, sees SMTA International as an excellent opportunity to get face to face with SMT, CM and OEM customers nationwide and all over the world. They will be displaying samples of a number of current products in the fast moving PCB industry, including single layer, two layer, multilayer rigid PCB, flex PCB, rigid flex PCB, Aluminum PCB for LED and Rogers PCB for RF applications, HDI and others.

As an IPC member, Super PCB regularly attends IPC events and expos. The IPCAPEX Expo will be held at San Diego Convention Center.
