Egan Visual becomes a Vendor on National Cooperative Purchasing Alliance contract

Toronto, ON, October 15, 2015 – Egan Visual is pleased to announce that the company has been named to the National Cooperative Purchasing Alliance (NCPA) furniture contract. The entire Egan line, including professional grade presentation boards, mobiles, dry-erase wallcoverings, lecterns and open office products will be available through NCPA channel to all NCPA registered agencies across 50 US states.

Egan is the trusted leader in visual communication systems for people who want empowering and engaging experiences and environments. The Egan catalog offers a variety of products including: EganAero – the world’s best glass markerboard offering a variety of backer options and three distinct installation options; Dimension Stele – the world’s first monolithic, magnet-compatible presentation markerboard; GlassWrite Lumens – the pristine glass TableScreen that provides an ethereal, gemstone quality when lit.

NCPA agencies can select from a variety of finish colors, surface materials, features and installation options as Egan products are designed with high configuration potential. Selected product can be customized further with EganINK™ custom print grids, templates, images and more to further communicate your brand message or design. For more information about Egan participation with NCPA contract, visit egan.com.

About Egan Visual

Egan Visual designs and manufactures a full range of visual communication solutions for presentation and collaboration environments. Our products include professional grade markerboards, tackboards, mobiles, lecterns, centers, wallcoverings, cabinets, and glass markerboards. We offer a wide range of standard, configured, and custom response solutions. Founded in 1967, Egan Visual has manufacturing and distribution facilities in the United States and Canada. www.egan.com

About NCPA

NCPA (National Cooperative Purchasing Alliance) is a leading national government purchasing cooperative working to reduce the costs of goods and services by leveraging the purchasing power of public agencies in all 50 U.S. states. NCPA utilizes start of the art procurement resources and solutions that result in

cooperative purchasing contracts that ensure all public agencies are receiving products and services of the highest quality at the lowest prices. www.ncpa.us
