

FOR IMMEDIATE RELEASE

Introducing Luray

As the workplace continues to change, boardroom and conference room meetings can still be long days with demanding agendas. Luray provides ample proportions, and full back support in an upholstered seating series to keep participants at their best, the polished aluminum can be specified with a urethane or wood top cap. Contrasting stitching is also available to compliment a wide selection of global textiles and quality leather covering. Designed by Synergy Associates.

Luray provides a touch of class along with comfort that can match the finish details of Global's laminate or wood desking with the wood cap arm option. Luray is perfect for conference, management and executive applications by offering three different back heights---mid, high and extended (executive).

Luray is also standard with two control mechanism options, three arm styles and beautiful horizontal stitch detail. Additional options include the aluminum base/arms and 12 different contrast thread colors to pronounce the Luray tailoring. Luray is provides exceptional comfort with molded Ultracell Bioplush foam.

Luray meets or exceeds ANSI-BIFMA standards. Global Warrants the Luray series under our Lifetime warranty and is rated for 300lbs.
