

**NEW CHAIRS FROM HELLER**  
**NeoCon 2016**  
**Showroom 324a**

Heller is proud to announce the launch of two new chairs designed by the Italian maestro Mario Bellini. Perfect for contract and residential uses, these new versions of our award-winning MB are elegant and functional. For indoor or outdoor use. UV-protected. Available in black, white, and light grey. Combine all three models and get the conversation going!

**MB Rocking Chair**

The MB Rocking Chair takes the classic version to a whole new level. The gentle rocking movement brings ease and comfort to groupings in hotel lobbies, offices, and around the pool.

**MB Swivel Chair**

The MB Swivel Chair makes it easy to glide from side to side, whether it's for business meetings or casual chats over cocktails.
