***Magnuson Introduces “KASKAD”:  
A FAMILY OF PLANTERS THAT  
PROVIDE A CASCADING RANGE OF  
DESIGN POSSIBILITIES***

**New Product Introduction: KASKAD Planter Family** — a new family of free-standing, modular planters available in five shapes and three heights. Used individually or grouped together, KASKAD is a flexible, highly adaptable planter solution.

**Design:** QDesign, exclusively for Magnuson Group.

**Manufacturer:** Magnuson Group, founded 1984. U.S.-based manufacturer and exclusive national distributor of commercial, institutional, light industrial, public/private office and facility accessories; fixed and mobile garment hangers; specialized indoor, outdoor contract and site furniture.

**Product Applications: KASKAD Planters** are suited for a broad range of high- or moderate pedestrian traffic in public and private interior spaces. These comprise corporate and governmental offices; transportation terminals; healthcare, hotels, restaurants and other hospitality facilities; retail stores; schools and universities.
