FOR USE UPON RECEIPT — 2016

MAGNUSON INTRODUCES STORE: NEW AUXILIARY PERSONAL STORAGE AND WORKSPACE CARTS

New Product Introduction: STORE Workspace and **Collaborative Carts** — smart auxiliary, mobile personal storage carts designed to optimize workspaces. **STORE Collaborative Carts** are also appropriate for conference and training rooms, kitchen and break areas, and myriad other uses from the office to hotel to the home.

Design: STC STUDIO

Manufacturer: Systemtronic; Valencia, Spain. Distributed throughout North America *exclusively* by Magnuson Group; founded 1984.

Product Applications: STORE Workspace and **Collaborative Carts**, equipped with casters, are suited for use in office environments, and perfect for temporary storage and personal

items especially in the changing personal workspace of desking and benching systems. Or they can become an alternative to a mobile caddy for use in training centers and conference rooms. They also provide a functional and aesthetic solution for retail boutiques; healthcare and hospitality; and residential use in the kitchen, bath or bedroom.

Product Description: **STORE** comprises a generous rectangular open-box frame with one fixed shelf; a strap handle enables it to be moved easily – all of which is perfect for storage of a purse, backpack and other personal items. An optional magazine rack and shelf can extend STORE's capabilities to support drinks and to hold small objects. Both simply hang off the STORE cart on one side or the other depending on user need.

STORE's simple, clever design fits discreetly in any space and is compatible with a broad assortment of design plans and color palettes.

Construction & Finishes: **STORE Workspace** and **Collaborative Carts** are manufactured from painted steel. Finish colors available are: Textured Black Ral 9011; Forge Grey, 12 and Textured White Ral 9003.

- **STORE** includes one fixed shelf; strap handle, magazine caddy and side shelf and color-coordinated locking casters. **STORE** is 12.5-inches wide by 21.5-inches deep and stands 25.75-inches high (without magazine caddy and side shelf).

Ordering Information: Literature, specifications, and pricing for **STORE Workspace** and **Collaborative Carts** or many other functional, aesthetical office/workplace accessories and support furnishings, are available from throughout North America, and from Magnuson Group contract-furniture dealerships.

Magnuson Group's modern plant and offices are located at 1400 Internationale Parkway, Woodridge, Illinois 60517, not far from
