Change of Address (27 CFR 478.52). Licensees may, during the term of their current license remove their business or activity to a new location at which they intend regularly to carry on such business or activity, by filing an Application for an Amended Federal Firearms License, ATF Form 5300-S, in duplicate, not less than 30 days prior to such removal with the Chief, Federal Firearms Licensing Center. The application must be executed under the penalties of perjury and penalties imposed by 18 U.S.C. 924. The application shall be accompanied by the licensee's original license. The license will be valid for the remainder of the term of the original license. (The Chief, FFLC, shall, if the applicant is not qualified, refer the application for amended license to the Director of Industry Operations for denial in accordance with 478.71.)

Right of Succession (27 CFR 478.56). (a) Certain persons other than the licensee may secure the right to carry on the same firearms or ammunition business at the same address shown on, and for the remainder of the term of, a current license. Such persons are: (1) The surviving spouse or child, or executor, administrator, or other legal representative of a deceased licensee; and (2) A partner or partner-in-business, or an assignee for benefit of creditors. (b) In order to secure the right provided by this section, the person or persons continuing the business shall furnish the license for that business for endorsement of such succession to the Chief, FFLC, within 30 days from the date on which the successor begins to carry on the business.

# “Best of Local Business 2017”

## For the 6th Consecutive Year

The U. S. Commerce Association (USCA) promotes local business through public relations, service, marketing and advertising.

The “Best of Local Business” award program recognizes outstanding local business throughout the country.

Each year the USCA identifies companies that they believe have achieved exceptional success in their local community and business category.

Empire Precision Plastics was awarded “Injection Molded Finished Plastics Items for 2017”.

## Considering A Tooling Move?

Empire uses an established tooling transfer system to:

- Reduce the risk when moving tools
- Ensure all assets have been transferred
- Evaluate tooling and current product being produced
- Confirm measurement techniques and methods

Over the past 25 years, Empire has have successfully moved 1800+ tools without interruption to the supply chain.
