

QSP KNIFE is committing to provide quality knives at favorable price. **QSP** stands for Quality, Service, Price.

The main category are **Folding knife** and **Fixed blade knife**. There are 2 serieses for choose: Budget friendly and Premium. We use D2, 14C28N, N690, S35VN, M390 and so on for blades, and G10, Micarta, Carbon Fiber, Titanium and so on for handles. Each QSP knife has adopted precise working processes and strictly inspection.

We also have rich experience in producing OEM and ODM knives.

We will be taking part in the 2020 Shot Show, welcome to see us at **booth # 863**
