

# A Never Seen Before Design

## Cock it, Load it, Aim it, Shoot it

For the first time the operator of the clay pigeon launcher can have as much fun as the shooter(s). Introducing the first of its kind, the Clay Cannon is the world's first handheld clay pigeon launcher. The Clay Cannon will forever improve your experience throwing and shooting clay pigeons. You can easily launch single or multiple clays in almost any direction. It's a feature-rich product with unmatched maneuverability, untouchable portability (no batteries required), and an unbeatable launching distance up to 60-plus yards. With one pull of the Clay Cannon's trigger you can create a fun and challenging clay pigeon shooting atmosphere. The tension knob on the back of the Clay Cannon allows you can easily adjust clay pigeon(s) speed for beginner, intermediate, and advanced shooters. Weighing just under 5lbs and about the size of a pizza box, the days of toting around heavy, bulky launchers have forever changed. Whether it be for a quick practice session with your friends, a side bet on who can shoot the most clays, or that extra confidence boost when in hunt camp, the Clay Cannon guarantees to make your shooting experience fun. The Clay Cannon is a great choice for those who chase waterfowl, upland birds, or shoot in leagues.

### Pricing and Availability

The Clay Cannon is available now with a suggested retail price of \$99.99 and a minimum advertised price of \$79.99.
