

## RACK'EM RACKS – Rolling Rifle Display

Wauconda, IL, November 20, 2019 — Portable rifle display is for displaying guns and transporting guns. Allows for easy movement around the store, into the vault, or at gun shows. 3 versions available: 32 rifle locking # 9307, 32 rifle non-locking #9305, and 48 rifle non-locking #9306. Easily display all your rifles on this handy rack, displays ARs, shotguns, bolt action, AKs, 50 cal., lever action, bullpups, pistol caliber carbines, mini-guns, muzzleloaders, air-rifles. Butt cups ensure guns are uniform and don't scratch each other while on the display. Black horizontal wire grid shelf at the bottom of the display can hold ammo, promotional items, etc. The steel rack is made for heavy loads and years of service - holds up to 600lbs. Made of strong 1.25" round tubing, 1.5" black square steel "Z frame", 4" industrial wheels, brakes to hold it where you place it, and bumpers on each corner. Wire grid is 3" x 3" squares of 0.215" steel wire. Display knocks down to ship via UPS. 60" L x 24" W x 80" H.

Rack'Em Racks by Horizon Mfg, - offers over 300 displays and racks for gun stores. These are in-stock and typically ship within 24 hours.

Displays for rifles, pistols, pistol caliber carbines, bullpups, mini rifles, ARs, AKs, 50 Cal., shotguns, black powder, air guns, scopes, red dot scopes, knives, suppressors, barrels, hand guards, flash hiders, muzzle breaks. Displays for slat wall, peg board, grid wall and mount to any flat wall.

Our racks are used by gun stores, gun enthusiasts, hunters and outdoorsman. Rack'Em™ patented gun safe racks increase gun safe capacity & ease of access. Home defense racks keep guns accessible when needed the most – behind doors, above doors, beside the bed, under tables, etc. Boot racks, glove racks, wader hangers, gear hangers – dry & organize hunting equipment, making them easy to find between trips and between seasons. Boot jacks assist taking off waders & boots, sleeping bag hangers display & help dry both square & mummy sleeping bags.

Our displays are designed for years & years of service, optimizing sales and floor space.

We help stores merchandise and keep inventory in excellent condition - stop scratching guns while on display or in the display case. Our displays deter theft and speed locking & unlocking, increase the sales of your most profitable guns and highlight your worst dogs. Rack'Em displays speed up the sale of knives and show the differences of scopes.

We're here to help you identify the displays that work best for the inventory in your store.
