Explorer Cases to Exhibit RED Rifle Cases at the 2020 SHOT Show

Include AR-15/M4, Rifle/Shotgun, & Long Rifle Cases

RED by EXPLORER Cases, which are made of a high quality Copolymer Polypropylene compound, possess all the same features that come standard with "To Hell and Back TOUGH!" Explorer Cases. They are waterproof, airtight, crush, dust, sand and shock-proof. RED Cases are also built to withstand extreme temperatures from below 27.4 ° to above 194°F. All cases come with easy-to-open jam-free latches, large rubber front handle, O-ring seal, manual release valve, and multiple padlockable points. Yet, they are designed specifically for the commercial hunting market and priced to compete with lesser quality cases on the market, offering retailers very healthy margins. And, they are 100% Lifetime Guaranteed! Available exclusively in black with the distinctive red purge valve, RED by EXPLORER Cases are To Hell and Back TOUGH!

About Explorer Cases

Explorer Cases was developed by GT Line, one of the leading global providers of smart transport bags. Founded in 1970 in Bologna, Italy, the GT Line company develops everything from their signature tool-cases for professional engineers; to WORKLINE, a range of soft bags and smart solutions for professionals and pro-DIY's; to @HAND cases and bags for the mobile computing; and the latest brand, EXPLORER CASES, a range of waterproof cases made in copolymer polypropylene that guarantee the best protection for whatever professional equipment its users need to carry in their journey around the world.

About International Supplies

International Supplies are distribution specialists based in Los Angeles, CA, with more than 30 years of experience bringing unique, high tech and high quality products to markets worldwide. They cater to a variety of industries: photo, film/video, consumer electronics, law enforcement/military, and outdoor and shooting sports. They distribute and market everything from traditional photographic film, to portable storage devices, technology cleaners, batteries, laser bullet dry-fire training systems, tactical bags, and hard and soft gun cases.
