Faneema Cutlery at SHOT Show 2020 Pop-Up Preview, Booth #61910

Westchester, IL, December 4, 2019 – We'll be at SHOT Show on **January 22, 2020** and we welcome you at our **Booth #61910** in the Pop-Up Preview.

Faneema Cutlery specializes in top-grade Damascus and is a reliable source for all kinds of knives - hunting knives, pocket knives, daggers, skinners, cleavers, karambit knives and also kitchen knives, razors, tomahawks, and axes.

Our Damascus knives are handcrafted from premium high carbon steel for the highest level of cutting performance. Our latest collection is the top of the line, notable for its unparalleled sharpness and striking aesthetics. Each knife is a unique work of art, crafted by master blade smiths from the impressive Damascus pattern to the hand-carved edge.

To craft beautiful handles, we source natural renewable, sustainable materials from a variety of countries

The hardness of our Damascus steel is 54-56 HRC on the Rockwell scale and each knife comes with a specially designed genuine cow or buffalo leather sheath with heavy-duty stitching for durability.

If you are interested in our products and wish to become a Dealer, please drop by and talk to us about customizing knives and pricing for your specific needs.

Faneema Cutlery guarantees 100% customer satisfaction.
