Tsugami/Rem Sales to Exhibit Newest 38mm Swiss-Type CNC Lathe Las Vegas SHOT Show

Rem Sales to display Tsugami B0386-III featuring Revolver Barrel Demo with a Twist at SHOT Show January 2020

(Windsor, Conn. – December 12, 2019) [Tsugami/Rem Sales](#), the exclusive North American importer of Precision Tsugami machine tools, announced today that they will exhibit the Tsugami B0386-III in booth L100 at SHOT Show in Las Vegas, Nevada, directly following the SHOT Show Supplier Showcase in January 2020.

Tsugami/Rem Sales will participate in the SHOT Show Supplier Showcase for the fourth year in a row (52306). Show attendees can find Tsugami/Rem Sales representatives in booth number 52306 on January 20th and 21st. For the third year in a row, Tsugami/Rem Sales will feature a CNC machine in the SHOT Show from January 21st through January 24th; booth location is in the lobby, directly to the left of registration; booth L100.

Rem Sales will feature the Tsugami B0386-III, running a live revolver barrel demonstration with a special twist throughout the show. The [Tsugami B0386-III](#) is a 38 mm, 6-axis Swiss Type CNC lathe that was specifically designed with heavy cuts in mind. Large linear guides, a three toggle clamping system, and extra ribbing under the spindles are just a few of the Tsugami B0386-III's engineering advancements. The Tsugami B0386-III comes with powerful horsepower milling spindle motors; increased ability to perform cross milling and drilling features. The eight station, driven back working block allows maximum capability for parts with many complex features. This machines comes with an **included chucker conversion kit** and Aible programming software.

"We're honored to be part of SHOT Show 2020 and the Supplier Showcase this year. SHOT Show presents a wonderful opportunity for us to connect with our end-user customer base in the firearms and defense industry," Michael Mugno, President, Rem Sales, LLC shared. "We look forward to showing off the capabilities of the Tsugami B0386-III in our lobby booth at this year's event. This machine's incredibly rigidity make it a great for the market."

Visit Tsugami/Rem Sales in Supplier Showcase booth 52306 and in SHOT Show booth L100 January 2020 to catch up with sales and engineering experts from across the country. For the second year in a row, Tsugami/Rem Sales is a proud to

support the Wounded Warrior Project as a Corporate Champion; sponsorships like this help the organization provide free programs for over 100,000 warriors, family members, and caregivers.
