

### **BulletSafe Bulletproof Vests Introduces Crotch Protector**

BulletSafe Bulletproof Vests have always offered great protection at an unbelievable price. Now they not only protect you, but they can protect your children, and your children's children. How do they do it? With a new BulletSafe Crotch Protector.

This new crotch protector is affordable and potent. It retails for just \$99 and is made from the same material as our Level IIIA bulletproof vest. That means it will even stop a .44 Magnum. Your family jewels have never been this safe.

This new crotch protector is easy to install and it fits every BulletSafe Bulletproof Vest ever made. That's a lot of potential customers. They will certainly enjoy knowing that they can easily deploy this protection instantly.

The BulletSafe Bulletproof Crotch Protector comes in a single size that will work for everyone. This crotch protector attaches easily to your vest carrier using Velcro closures. It stays in place even during strenuous movement and offers superior protection. It is a great addition to the complete line of BulletSafe bulletproof products.
