

SCHMIDT

MAKE A LASTING MARK

MARK YOUR FIREARMS WITH SCHMIDT

SCHMIDT is an FFL-licensed manufacturer of marking equipment for engraving ID marks on firearms and firearm components for ATF-required info. Our GeoMARK lasers and Styliner® pin markers can make your products stand out from the crowd and help you meet marking requirements:

- ATF guideline compliance
- Serialization and traceability solutions
- Caliber, gauge, and manufacturer codes
- Mark serial numbers and model numbers
- Logos, graphics, or any custom marks
- 2D data matrix, reading, and verifying

Visit us in Booth 51440 at the Shot Show's Supplier Showcase on January 20th and 21st to learn more. See shotshow.org/supplier-showcase for show details.
