

350 Legend

Now available in our M4-HTF™ XTD, XO-26™ R3 and CA12™!

Minden, NV, January 10, 2020— Innovative firearms manufacturer, Franklin Armory®, has expanded its model lines to fit the needs of straight-wall hunter's. Newly chambered options in 350 Legend will come in three new models, the M4-HTF™R3 XTD, XO26™ R3, and CA12™. As with the existing models, the newest variants will be available in state-specific models for California, Connecticut, New Jersey, and other restrictive jurisdictions.

CA12™
