- ✓ 1,000 rounds – AdTac 9mm Ammo (special blanks)

### VT<sup>2</sup>R AdTac – Glock 17 Gen 4 with AdTac Barrel & Laser

Let us arrange for you to have your own AdTac Glock 17 Gen 4 with our drop-in Barrel and Laser – you get full Glock and AdTac gear

- ✓ Must be shipped from our FFL partner to an FFL in your location
- ✓ We install the AdTac barrel and laser and test before shipping

### VT<sup>2</sup>R AdTac – AR-9 Upper ONLY & Laser

Already have your own AR-9, then our AR-9 Upper and Laser may be the right deal for you

- ✓ No FFL needed for purchase of AR-9 and Laser
- ✓ We test the AdTac barrel and laser before shipping

### VT<sup>2</sup>R AdTac – AR-9 & Laser - \$500 Off (limit one)

Let us arrange for you to have your own AdTac AR-9. We integrate our upper with a commercial AR-9 Lower to give you a robust, reliable weapon specifically made for your use. This does NOT come with an actual short barrel – our closed barrel does not require certificate or filing – the lower is required to transfer via FFL

- ✓ Must be shipped from our FFL partner to an FFL in your location
- ✓ We install the AdTac barrel and laser and test before shipping

### VT<sup>2</sup>R AdTac – 9mm Ammo (blank)

All of our ammo is made with no lead, completely non-toxic, and the brass is fully recyclable – this means you can shoot almost anywhere and know that all training is done in an environmentally clean way.

- ✓ Available in 250 or 1,000 round quantities
- ✓ Safety glasses / goggles and hearing protection is required
