

BREAKTHROUGH® CLEAN TECHNOLOGIES RELEASES NEW ANTI-FOG LENS GEL KIT

For Immediate Release: January 17, 2020

Breakthrough Clean Technologies proudly releases their new Anti-Fog Gel Kit. This Anti-Fog Gel provides a superior, streak-free finish and long-lasting prevention, effectively eliminating fogging on all kinds of surfaces including multi-coated lenses. With its no-mess brush applicator tip, easily apply a thin layer of the Anti-Fog Gel then simply wipe clean with the included lens cloth. Trust the care of your lenses, optics and goggles to the finest and most effective anti-fogging solution. Breakthrough Clean Technologies— The Difference is Clear™

Anti-Fog Len Gel Kit MSRP: \$19.95

Available at www.breakthroughclean.com.

About Breakthrough® Clean Technologies:

Breakthrough® Clean Technologies offers the finest line of products to safely and efficiently maintain your equipment. Our cleaners eliminate more contaminants than the leading competitors and our lubricants provide the ultimate protection from the elements. This reduces the time spent cleaning and minimizes the frequency of needed applications. Breakthrough® Clean products are user-safe, non-hazardous, and odorless so, they're safe for you and your environment. Breakthrough® Clean—The Difference is Clear™.
