

BREAKTHROUGH® CLEAN TECHNOLOGIES RELEASES NEW MULTI-PURPOSE QUICK WIPES

For Immediate Release: January 17, 2020

Our Multi-Purpose Quick Wipes act as a cleaner, lubricant, and protectant designed to clean and condition in one quick & easy step, without sacrificing performance. Formulated from the same chemical platform as our flagship Military-Grade Solvent and High-Purity Oil, our Quick Wipes are odorless, non-toxic, non-staining, and eco-friendly. The 100% synthetic-based oil will provide exceptional protection across a wide range of temperatures and the extreme-pressure additives provide superior resistance against rust and corrosion. This low viscosity solution penetrates deep into metal surface disparities to loosen stubborn carbon fouling and other contaminants and leaves behind a protective film that seals out moisture and minimizes friction and wear. Safe to use on all metal alloys, polymers, and finished stocks.

- Perfect for quick field applications
- Eliminates moisture and removes fingerprints
- Odorless, non-toxic, non-staining and non-carcinogenic
- 100% Synthetic—won't gum up or freeze in extreme temperatures
- Extra durable wipes that won't tear during cleaning
- Temperature range: -54°F to +281°F

Available in:

- 50 Count Canister (5" x 6" wipes) MSRP: \$11.95 Available February 2020
- Individual wipe packets MSRP: \$2.95

Available at www.breakthroughclean.com.

About Breakthrough® Clean Technologies:

Breakthrough® Clean Technologies offers the finest line of products to safely and efficiently maintain your equipment. Our cleaners eliminate more contaminants than the leading competitors and our lubricants provide the ultimate protection from the elements. This reduces the time spent cleaning and minimizes the frequency of needed applications. Breakthrough® Clean products are user-safe, non-hazardous, and odorless so, they're safe for you and your environment. Breakthrough® Clean—The Difference is Clear™.
