Outer: 20.62" x 16.87" x 8.12"

Inner: 18.43" 14" x 7.62"

Eylar[®] portable protective gear cases are designed to be convenient and customizable. A tough exterior creates protection from impact along with a strong seal to keep the box water Proof. Air pressure equalizer valve located at the front to compensate for changes in pressure when traveling. Pluck and pull foam allows for custom compartmentalization to store gear neatly and securely. Strong and durable clamps located at the front or sides for watertight sealing and a fold out handle for easy carrying. Uniform grooves to create stacks if needed. Eylar[®] Gear Cases are ideal for protecting cameras, hand guns, tools and valuable equipment.
