

## World's #1 Selling Hat You've Never Heard Of

by GameFaceGear

GameFaceGear (GFG) of Sun Valley, Idaho USA has developed one of the most unique headwear designs of all time.

Since 2008 GFG has manufactured QuikCamo quality headwear that has sold at mom and pop shops, truck stops, convenience stores, big box stores and online.

QuikCamo's Original Front and Rear models have a one-hand use feature that allows the user to cover their face without putting their bow or gun down.

Additional features include, scent control, moisture wicking, quick dry fabrics with an anti fog feature for those who wear glasses making QuikCamo one of the most comfortable face concealment systems on the market.

Doug Niedrich co-inventor/founder and his son Kyle are pleased to be introducing their new line of 3D Leafy Bucket Hats, 3D Leafy Suits and Brand New for 2020, 3D Leafy Gloves in Officially Licensed NWTF Mossy Oak Obsession.
